OFFERING DECLARATION #1

God, today we are believing You for our provision, protection, and abundance. We look to You as the financial sustainer of our lives.

We trust You for an increase of our faith and an advance in our generosity, so that You may pour tangible blessings on others through us.

We believe You for favour in business, increase in our work, and the capital to start new ventures, clients, contracts, resources, and flourishing careers.

We bless those in education, health care, the police services, the government, hospitality, and the arts.

Lord, we ask You for jobs for all who need them, full-time hours, debts to be canceled, and financial burdens to be removed as we honour You with our money.

We ask You to give this region economic favour and abundance.

We ask that You bless the work of our hands, that we may be the solution in our communities for any social need.

We repent of poverty of thinking and any reluctance to trust you for the true riches from above.

You are a good and faithful God. Through Your presence and by Your Spirit's power, we commit to releasing the Kingdom of Heaven on earth; that others may know You, captives may be set free, prisoners may be loosed from their chains, the sick will become well, the lost will become found, and that all the nations will be won to Jesus.

We declare that our God will supply all our needs, according to the riches of His glory in Christ Jesus. Amen!
