

# PUBLIC PRAYER

SUNDAY, JUNE 3

Lord, thank-you for Your leadership. You are the most brilliant, perfect Leader. We thank You for Your guidance and that Your hand has been tangibly felt on this entire process.

Father, we thank You today for this new name! As we look at Your Word, we can clearly see all the places where you have chosen to release new names over cities and people.

We see that with that change has come greater measures of grace, purpose, anointing, responsibility, and—most of all—Your presence. Father, we need Your presence! We know that in order to step into this new season more will be required of us: deeper faith, obedience, greater levels of serving, sacrifice, and surrender. We need You, Holy Spirit, to enlighten our hearts, to set us on fire for You! We are hungry and thirsty!

Father, I pray: give us wisdom and revelation! Give us wisdom and discernment to steward correctly all that You have given us. Give us revelation! Break off blindness, in Jesus name! Open our eyes, Lord, to see ourselves, this city, and the world the way You see it.

Holy Spirit, I ask You to reveal Jesus to us. His sacrifice, His beauty, His leadership. Jesus, lead us to the Father—His nature, His character, and His eternal perfect love.

Father, pour out Your Spirit on us! We stand before You, today, as a unified body. We believe this is a kairos moment! Lord, we set our hearts and minds to understanding these times; we will not let it pass us by. We will be like the two spies, Lord, who bring back a good report. We will see and take hold of all that You have prepared for us.

We ask you, Lord, remove from us anything that hinders love. Pour out Your grace! Increase our capacity to love and serve. May we be a reflection of You everywhere we go. Raise up leaders!

Anoint us with courage, with valor to preach the gospel and to walk in truth. Reveal to us our true identity, that we might become mature sons and daughters. Increase our faith! Thank-you, Lord, that all Your promises are yes and amen. It is for Your beautiful name I pray. Amen.
